FRANKFORT, KY., DECEMBER 19, 1885.

Number 14.

Our neighbor of the Yeoman is evidently opposed to Capital punishment.

Dr. W. H. Phythian has been appointed Coroner of this county by County Judge Thomson.

There are now some twenty candidates for Jailer on the track and several others are thinking of announcing themselves.

We will hardly have a chance to take river water with our Christmas whisky. The break in the pipe will be closed in the sweet by and by.

Three divers are at work placing the pipe in proper position. It is to be hoped they will get it down right this time so that it will remain together.

As the 27th of December, St. John's day, falls on Sunday this year, the Masonic Lodges of this city will meet on Saturday night next to elect their officers.

The County Court has divided the Bald Knob precinct and created the Flat Creek precinct out of part of it, with the voting place at Flat Creek School-house.

The festival and bazaar given by the ladies of the First Presbyterian Church at the Court-house Tuesday evening was a complete success, the net receipts amounting to \$316 75.

Mr. Jas. H. Daily will open in a few days a grocery and general store in the room on Broadway formerly occupied by Meagher Bros., and vacated on Monday by Mr. Taylor Collins.

R. C. O. Benjamin, Esq., a colored lawyer from Richmond, Virginia, has located in Lexington for the practice of his profession and we understand will open a law office in this city.

Rev. R. E. Caldwell having gone to Versailles to assist Rev. Dr. Rout in a communion meeting, there will be no services at the Southern Presbyterian Church to-morrow morning and evening.

Mr. Minus Williams is announced in this issue as a candidate for Jailer. If elected he will make a first rate officer and will be well up to the front when the polls close on the first Saturday in April.

The water from the new reservoir was turned into the South Frankfort system of pipes on Tuesday, and in case of fire on that side of the river now there will be no such destruction of valuable property as there was on Monday night of last week for lack of water to put out the flames.

A grand supper will be given at the First Independent Baptist Church in this city on Friday and Saturday evening next, December 25th and 26th, for the purpose of raising funds to erect a new house of worship. John Dickerson will have charge of the supper and will call upon our citizens for contributions to the same. The cause is a worthy one and should receive liberal assistance.

Prof. T. M. Hawes, reading at the Court-house Saturday evening was a very agreeable entertainment indeed, and deserved a much larger audience. The Professor has a very pleasant voice and his rendition of every piece given was first-class.

He will visit this city again in January, and give a reading at the Opera House for the benefit of the Baptist Church, when it is hoped a large audience will greet him.

**Notice to Reading Circle.**  
Owing to circumstances over which I have no control, I hereby tender my resignation from the Presidency of the Reading Circle, trusting that the order may at once have a called meeting and elect some one to occupy the vacancy.

JAMES B. LEA.  
BRIDGEPORT, KY., Dec. 18, 1885.

The Legislature will meet in this city on Wednesday week, the 30th inst.

Farmers complain greatly of hunters trespassing upon their premises. They say it is useless to post their places, as the notices are knocked down by the first boy or negro who comes along with a gun, and the shooting goes on just the same.

The rise in the river Tuesday night caused considerable trouble to the workmen laying the water pipe. The raft to which it was suspended were carried down stream considerable distance and the pipe moved out of position twenty feet. Fortunately none of the joints were broken.

Have tried Tongueine in facial neuralgia with excellent results; it controls the attack in a few hours, often giving almost immediate relief.

F. W. OWEN, M. D.  
Detroit, Mich.

The Steamer Ibernia, which was recently purchased by Capt. S. V. Pence and other gentlemen of this city, has been rechristened the Susan M. Pence, and will be commanded by Capt. Sandy, while Capt. H. B. Cannock will take the first clerkship. She is still on the ways in Cincinnati, but will be off in about ten days.

We understand that by the death of a brother in Australia Mr. Pat. Downey of this county, has fallen heir to a large estate in that country. It is said there will be no trouble in proving his claim to the property and he will certainly come into possession. Mr. Downey certainly is to be congratulated on his good fortune.

**From a Sense of Duty.**

Some people shrink from making public the benefit they have received, while others are free to tell it abroad for the good of fellow mortals. Of the latter kind is Mr. J. H. Coppelock, of Mount Holly, N. J., who writes, "I am one of the many who give their cheerful appreciation of the merits of the efficient and valuable Brown's Iron Bitter from a sense of duty. This bitters is doing much good in our country, for which I can vouch."

Hon. B. Gratz Brown, eldest son of the late Judge Mason Brown, of this city and half brother of Mrs. W. T. Barrett, of this city, died suddenly at his home near St. Louis, Missouri, on Sunday. He had been Governor of that State, a General in the Federal Army, United States Senator, and was a candidate for Vice President in 1872, on the Greeley ticket.

We would call the attention of the city authorities to the fact that the oil lamp on the corner of Cross and Main streets is so out of repair that it cannot be lighted and unless fixed the city will have a good sized suit for damages on its hands when some one tumbles off the sidewalk at that point into a hole five or six feet deep with a fire hydrant at the bottom.

There was an interesting meeting of the Women's Christian Missionary Society last evening at the Methodist Church. Mrs. Jos. Siebert, nee Runyan, a most interesting speaker, in manner, spoke, and Miss Lizzie Knapp read in her interesting way, a letter written by Mrs. —— Haggard, from Shanghai, China, the native home of the big chickens. It graphically described the work done and to be done.—*Paris True Kentucky.*

**All End to Bone Scraping.**

Edward Shepherd, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know that I have had a complaint in my leg for eight years; my doctors told me I would have to have the bone scraped, or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well."—*Paris True Kentucky.*

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c. per box by Joe LeCompte, 8

The O. F. C. distillery commenced running Wednesday for the season of 1885-6.

The Gospel Temperance meetings are now held every Tuesday evening at the Court House. Everybody invited to attend.

Grand Junior Warden J. W. Pruitt went to Louisville Thursday morning to pay an official visit to and inspect the work of DeMolay Commandery of that city. He was accompanied by Grand Commander J. M. Saffell and Sir Knights J. Q. A. Stewart, V. A. Kaltenbrun and J. R. Stafford.

### Amusements.

PATTI BOSSA AS "ZIP."

"Zip," made famous to the theatre-going public by avante Lotta, was presented to a very large audience at the Boyd last night by Patti Bossa, and the presentation was of such cleverness and sprightliness that the petite soubrette received almost continuous applause. Patti Bossa has that lively knack of placing little antics with her heels, making a desirable little girl for your fancy and cherishing nothingness with her rosy mouth, which never fails to captivate the heart of the spectator, and which effectually disarms criticism.

She is great; she is in every way graceful; she pleases by the very simplicity and ingenuity of her methods—nothing elaborate and but natural and easily income.

Patti Bossa is as much of an original in her own peculiar way as either Lotta or Muggie Mitchell, and "Zip" could not be better suited to her talents had it been especially written for her instead of for Lotta. The same may be said of "Bob" which will be presented to-night, and which, if anything, is more pleasing than "Zip." —*The Omaha Herald*.

## FRANKFORT ROUNDABOUT.

Currier's celebrated band, from Cincinnati, has been engaged by the Assembly Ball Club to furnish music for their hops this winter.

Mr. George Ellis, of this city, has received an appointment in the Government Printing Office at Washington City, and Miss Florence Mitchell, the actress, formerly of this city, has been appointed to the position of copyist in the Interior Department, in that city.

George McLaughlin, one of the circus train robbers, who made his escape from jail in this city several weeks ago, was captured at his home in Lafayette, Indiana, on Thursday. He will be brought back here, and as the thirty days given him in which to take an appeal from the sentence of five years in the Penitentiary have expired, will be taken to prison at once to begin serving out his term.

Tom Hays, Aus Scott, and John Hughes, all colored, residing near the old depot a mile from the city, were arrested and lodged in jail Thursday charged with stealing hogs from Mr. Thos. J. Jett, near Jets Station. Mr. Jett's pen was visited one Friday night several weeks ago and three hogs taken and the following Monday night four more disappeared. If the men arrested are proven to be the thieves their chances of serving the State for several years are exceedingly good.

The Court of Appeals on Thursday affirmed the decision of the Franklin Circuit Court in the case of Imperial Insurance Co. vs. Klemann and Northern Insurance Co. "vs. Same." By this decision Mr. John Klemann, of this city, gets judgment for \$4,400 insurance upon the dwelling at Glen Mary at the time it was destroyed by fire some four years ago (now the property of Mr. E. P. Bryan), together with interest from the date the amount was due and ten per cent. damages.

### Is Every Body Drunk?

Among the many stories Lincoln used to relate was the following: Trudging along a lonely road one morning, he came to a lone county seat, Judge overtook me, with his wagon and invited me to go far before the wagon began to wobble. Said I, "Judge, I think you, coachman, has taken a drink too much."

The Judge shouted out of the window, "Why you infernal scoundrel, you are drunk!"

Turned around with gravity, the coachman said: "Be dad I but that's the firs' rightful scision your Honor's givin' n'r a twel month!"

If people knew the facts they would be surprised how many people reel in the streets who never "drank a drop." They are the victims of sleepless nights, of drowsy days, of apoplectic tendencies whose blood is set fire by urea acid. Some day they will reet no more "drop dead," just because they haven't the courage to defy the useless professional attirements, and the wonderful Warner's oil which neutralizes the uric acid in the system and thus get rid of the drunkenness in the blood." —*The American Rural Home.*

Everyone everybody, and we will insure you a pleasant time.
